

Skeena Call for Tahltan Artists Application

Skeena Resources invites Tahltan artists to submit their application for the design and execution of a signature art piece for the Eskay Revitalization Project. The piece will be displayed at the Skeena Resources Head Office in Downtown Vancouver. The artwork should create excitement and interest in the community, reflect Tahltan territory, culture, and pride, enhance the space where the main piece will be located, and reflect the positive legacy of Eskay Creek. The artist's willingness to learn about the project and dialogue with the committee is important. The final artwork must be a piece that can be reproduced as a limited-edition print. This project is open to all Tahltan artists, age 18 and over working in any medium, style or technique. Artist collectives or teams are eligible to apply.

Please submit this form and 3-10 images of your completed work with brief descriptions to engage.eskay@gmail.com by **August 21, 2022 4pm**. For more information visit skeenaeskaycreek.com/tahltan-art
